

University of Colorado
Anschutz Medical Campus

The Anschutz Health Sciences Building

Construction Update
07 August 2019

CAAICON

- 
- Construction Status
 - Accomplishments to Date
 - Upcoming Activities
 - R2 Impacts and Mitigation Efforts

Agenda

Project Leadership and Staff

Doug Wilson, Project Director
doug.wilson@caaicon.com

Daniel Loosbrock, Project Executive
daniel.loosbrock@caaicon.com

Eric Snelling, General Superintendent

University of Colorado
Anschutz Medical Campus

David Turnquist, Associate Vice Chancellor
Facilities Management

Michael Barden, Director
Facilities Projects

Ethan Carter, PhD, Director
Department of Environmental Health and Safety

Breanne Beck, Senior Industrial Hygienist
Department of Environmental Health and Safety

LoriAnn Smith, Associate Director
University Risk Management

An aerial photograph of a large university campus, showing a dense arrangement of academic buildings, dormitories, and green spaces. The image is in grayscale, with the text 'Construction Status' overlaid in the center. The campus layout includes a central corridor with buildings on either side, and various parking lots and open areas interspersed throughout. The text is in a large, bold, black sans-serif font.

Construction Status

- Concrete Pours
 - Foundation walls; final pour (#12) this week
 - Slab on grade
 - Grade beam
 - Tunnel wall
- Formwork
 - Basement
 - Level 1
- Underground Plumbing

An aerial photograph of a large university campus, showing various academic buildings, parking lots, and green spaces. The text "Upcoming Activities" is centered over the image in a large, black, sans-serif font.

Upcoming Activities

UPCOMING ACTIVITIES

- Finishing up underground MEP
- Foundation Walls
- Waterproofing & Damproofing
- Basement Slab-on-Grade
- Form Level 1 Concrete Deck- Pour 1
- Reinforce/ MEP rough-in of Level 1 Deck
- Pour 1 Level 1 Deck South
- Form Level 1 Deck Pour 2

FIRE LANE ACCESS

WALKWAY

An aerial photograph of a city, likely San Francisco, showing a dense urban landscape with numerous buildings, streets, and green spaces. The image is in grayscale. Overlaid on the center of the image is the text "R2 Impacts and Mitigation Efforts" in a large, bold, black sans-serif font.

R2 Impacts and Mitigation Efforts

- Reported Impacts
 - Odors reported afternoon of 7/26
- Suspected source
 - Solvent based concrete cure
- Mitigation
 - Water based concrete cure
 - Test application prior to final placement
 - EHS will monitor the test; sensor placed at air intake
 - New AHU filters installed 7/25

An aerial photograph of a large university campus, showing a dense arrangement of academic buildings, dormitories, and green spaces. The word "Reminders" is superimposed in the center in a large, black, sans-serif font. The campus is surrounded by a mix of urban and natural landscapes, including roads, parking lots, and trees.

Reminders

- Next Town Hall
 - September 5th at 12:00pm
- Information can be found on the Facilities Active Projects website:

- Contact Information
 - Doug Wilson, doug.wilson@caaicon.com

An aerial photograph of a large university campus. The image shows a dense collection of academic and administrative buildings, many with flat roofs and rectangular shapes. There are several large parking lots filled with cars, interspersed with green spaces, trees, and walking paths. A prominent road or highway runs along the right side of the campus. The overall scene is a comprehensive view of a modern educational institution.
