DSC - DIFFERING SITE CONDITIONS: Either encountered on site or in the building structure due to existing conditions not identified or detected during initial investigations.

Outstanding Pending Costs and Un-approved COPs

BA - BIO ALTERNATES: implementation of either additive or deductive bid sitemates due to favorable hufavorable hase bid results. The functionality of the project is not compromised by implementation of deductive sitemates AV - ADDED VALUE: Change work represents essential work necessary to achieve original scope of work but was not identified in the original bid documents due to omission.

UPG - UPGRADES: Change work due to voluntary upgrading by agency/institution of materials and/or equipment/systems within original scope of work. Justification is to be based on durability, energy efficiency, assisthetics, etc.

UI - UNKNOWN ITEMS. Unforeseen costs associated with impact of project on existing functions of the agency/natitution causing disruptions, shul downs, relocations, etc. BU - BUDGET UTILIZATION: Utilization of allowances
