

2022-2023 ACADEMIC YEAR

PLAINS ELECTIVES

Semester One:

Start Date - Monday, September 19, 2022

End Date - Friday, December 16, 2022

SEMESTER ONE PLAINS ELECTIVES UPDATES & REMINDERS

Dates to Remember

Registration (Lottery)

8/16/2022 AT 8:00AM | 8/23/22 AT 5:00PM

The lottery is the initial registration period, and for S1 the lottery will open on Tuesday, August 16, 2022 and closes on Tuesday, August 23, 2022.

Registration - (Add/Drop)

8/24/2022 AT 8:00AM | 9/16/22 AT 5:00PM

The add/drop period is the secondary registration period.

Note, tracks (Global Health and Research) and the Rural Program are *not* in the lottery and cannot be added during the initial registration period.

Add/Drop Period

8/24/2022 | 9/16/2022

Students will have a period of time to add or drop electives in OASIS before the course start date. During this time students may add/drop electives. Note, Plains students are *not* allowed to take more than one elective at a time (per semester).

Final Schedules

ALL SCHEDULE FINAL - 9/16/2022

Students cannot make schedule changes themselves in OASIS after 9/16/2022.

Semester one starts on Monday, September 19, 2022.

Note, if students want to make schedule changes after 9/16/22, they must use the *add/drop student request form* found on page 13 of this guide.

Contact Jena James at jena.james@cuanschultz.edu with questions.

Reminders & Updates

- Student notifications will be sent prior to the start of each Plains elective semester with registration details for each semester.
- To fit better with Registrar's naming convention, we will no longer be using the word "trimester" for elective terms. We now call elective terms, "Semester 1, Semester 2, Semester 3, and Semester 4" or "S1, S2, S3, and S4."
- Please contact Jena James at jena.james@cuanschultz.edu with any questions about Plains electives.

Disclaimer: The elective courses and registration information are subject to change. Any changes will be communicated to students. Students should check their emails and North Star dashboards daily.

PLAINS ELECTIVE OVERVIEW

When are electives offered?

For the purposes of electives, the Plains year after COMPASS One is divided into three semesters. Electives are offered for 1-2 hours per week for twelve weeks within the semester. Electives do not run during COMPASS or holiday weeks. Students who are designated as being in "good standing" by the Progress Committee may take one elective per semester. Students who fall out of good standing, will be withdrawn from their elective.

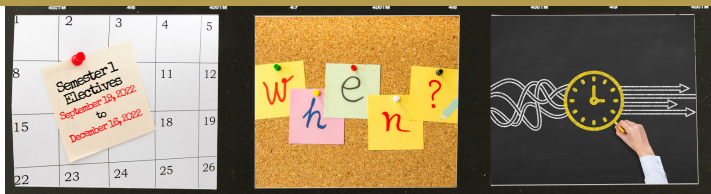

- **Semester 1:** 09/19/2022 – 12/16/2022
- **Semester 2:** 01/02/2023 – 04/07/2023
- **Semester 3:** 04/17/2023 – 07/14/2023

How do students register for electives?

- Students who are enrolling in Rural, Global Health, and Research programs should follow each program's instructions for enrollment. Contact program coordinators with questions regarding Global Health, Global Health Research, Research, and Rural Programs.
- All other students will receive information about how to request enrollment for the available electives prior to the beginning of each semester. Students will have the opportunity to request and prioritize electives. The scheduling system will then run a lottery to randomly give students preference for enrollment into electives based on their prioritized list. (E.G. if student Zebulon Pike is randomly assigned top priority, they will be enrolled into their top elective choice. The system will then move to the student randomly assigned next priority and they will be placed into their top elective choice. Once an elective reaches its maximum number of students enrolled, it will be closed. Students will have the option to add/drop electives in OASIS until the Friday before the elective semester starts.

ORTH 5005 - Intro to Orthopedics	Semester 3 (4/17/2023 - 7/14/2023)	Wednesdays - 12:00pm to 1:00pm

COURSE DETAILS

ORTH 5005 Introduction to Orthopedics

Course Description

This course consists of 14 weekly one-hour classroom sessions including interactive lectures covering the orthopedic subspecialties, small group discussion and case presentations. An elective reading list is provided. There are optional shadowing opportunities in the operating room and clinics. Student evaluation is pass/fail by attendance.

SCHEDULE

SEMESTER 3 (S3): Wednesdays: 12:00pm - 1:00pm

Course Contact Info

Director: Frank Scott

Director email: frank.scott@ucdenver.edu

Coordinator: TBD

Coordinator email: TBD

IDPT 5200 Introduction to Global Health

Course Description

This one-credit course is designed to introduce clinicians in training to critical topics in global health. The course consists of lectures and group discussions lead by experts in a variety of global health-related diseases, public health priorities, and health policy issues. Note, the elective is open to 1st year med students but does not guarantee admission into the track

SCHEDULE

SEMESTER 1 (S1): Wednesdays: 12:00pm - 1:00pm

Registration: During the add/drop period

Course Contact Info

Director: Madiha Abdel-Maksoud

Director email: Madiha.Abel-

Maksoud@cuanschutz.edu

IDPT 5040 Trauma & Violence Informed Care

Addressing Interpersonal Violence in Medicine

Course Description

We will teach students how to provide trauma informed services. We will address several types of violence as well as acknowledge cultural competency, implicit bias and how power and privilege affect our view. We will offer students real-life case studies and introduce speakers and topics that intersect with best practices in medicine.

SCHEDULE

SEMESTER 1 (S1): Tuesdays: 12:00pm - 1:00pm

Semester 2 (S2): Thursdays: 12:00pm - 1:00pm

Course Contact Info

Director: Rachael Williams

Director email: Rachael.williams@cuanschutz.edu

Coordinator: Trisha Agarwal

Coordinator email: Trisha.Agarwal@cuanschutz.edu

MEDS 5040 Critical Cases in Bioethics

Course Description

This elective provides learners with an opportunity to explore the field of bioethics as applied to medicine and health through the lens of critical cases in the history of bioethics. The course will pay special attention to ethical issues surrounding the potential integration of clinical care and overall population health, health inequalities, and questions of fairness as applied to medicine and health.

SCHEDULE

SEMESTER 1 (S1): Tuesdays: 5:00pm - 6:00pm

Course Contact Info

Director: Daniel Goldberg

Director email: Daniel.Goldberg@cuanschutz.edu

Coordinator: Laurie Munro

Coordinator email: Laurie.Munro@cuanschutz.edu

QUESTIONS: CONTACT JENA JAMES, ELECTIVES
COORDINATOR: JENA.JAMES@CUANSCHUTZ.EDU

COURSE DETAILS

IDPT 5012 Intro to Global Health Research

Course Description

This seminar series is open to medical students and CHA/PA students in the Global Health Track. Topics include pre-travel health and safety considerations, ethical issues in global health, human rights and health, as well as research and philosophical tools for culturally appropriate care in a sustainable fashion. The class is required of Global Health Track Students. The University of Colorado requires that all Medical Students planning a global health project for their MSA be in the global health track and participate in this course.

SCHEDULE

SEMESTER 2 (S2): Wednesdays: 12:00pm - 1:00pm

Course Contact Info

Director: Leana May Moser

Director email: Leana.MayMoser@childrenscolorado.org

Coordinator: Zach Lundquist

Coordinator email: GlobalHealthTrack@cuanschutz.edu

FMMD 5040 Family Medicine Survey

Course Description

Students will attend 12 weekly 1 hour sessions on a variety of foundational topics in primary care including family planning and contraceptive options with an accompanying skills workshop in contraceptive procedures, sports medicine in primary care with skills workshop in joint injections, addiction medicine and behavioral health in primary care, family centered maternity care with accompanying skills workshop in OB ultrasound, common dermatologic conditions in primary care with skills workshop in biopsy techniques, health equity and delivery of care to underserved populations. Students will have the opportunity to explore various models of primary care delivery and fellowship opportunities in family medicine

SCHEDULE

SEMESTER 1 (S1): Wednesdays: 12:00pm - 1:00pm

Course Contact Info

Director: Melissa Johnson

Director email: melissa.n.johnson@cuanschutz.edu

Coordinator: Lucille Heimerl

Coordinator email: lucille.heimerl@cuanschutz.edu

REQUEST ADD/DROP AFTER THE COURSE START DATE

As a reminder, participating in electives is completely optional. If you complete an elective, it will show up on your CUSOM transcript. **After the add/drop period ends on September 16, 2022, students must submit the request form below to add or drop a Plains elective.**

Electives Add/Drop Student Request Form

To fulfill your request, please complete this form as completely as possible. A representative will respond within 24-48 hours.

Request Type *

Select or enter value

Request Description/Message

Provide a brief description about your request if applicable.

****Important:** Once an elective starts, you are considered enrolled in the elective. Complete [THIS FORM](#) and contact Jena James at jena.james@cuanschultz.edu. Students will receive a “withdrawal – W” on their transcripts if they unenroll after the start date up to the course is halfway to end date.

Once a course is more than halfway complete, you may not unenroll and will receive a posted grade for the course on your transcript. If you have questions about dropping/unenrolling in an elective please contact the Electives Coordinator, Jena James.

QUESTIONS: CONTACT JENA JAMES, ELECTIVES
COORDINATOR: JENA.JAMES@CUANSCHULTZ.EDU

ATTENDANCE & ABSENCE POLICY

Attendance is required at Elective activities unless indicated as optional by Course Directors. If a student needs to request an absence, they must directly email the Course Director and Course Coordinator ASAP and at least 48 hours ahead of time. **Do NOT submit an absence form in North Star for electives, this process is only used for core courses.**

Unplanned absences due to illness, other unforeseen circumstances must be communicated to the Course Director, Coordinator, and Office of Student Life ASAP and within 24 hours of the absence.

QUESTIONS: CONTACT JENA JAMES, ELECTIVES
COORDINATOR: JENA.JAMES@CUANSCHUTZ.EDU
