2019-2020 Vision Research Seminar Series

Meetings are held from noon to 1pm Research 1 North, Conference Room 5109

September 27, 2019Deborah L. Stenkamp, Ph.D.Professor, Biological Sciences University of IdahoOctober 25, 2019Anuj Chauhan, PhD Professor and Department Head Chemical and Biological Engineering Colorado School of MinesNovember 22, 2019Jeff Gross, Ph.D. E. Ronald Salvitti Chair in Ophthalmology Research Professor of Developmental Biology University of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PI Assistant Professor in Ophthalmology Assistant Professor in Ophthalmology Assistant Professor in Ophthalmology Assistant Professor in Ophthalmology Assistant Professor of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology	Data	Speaker
September 27, 2019Professor, Biological Sciences University of IdahoOctober 25, 2019Anuj Chauhan, PhD Professor and Department Head Chemical and Biological Engineering Colorado School of MinesNovember 22, 2019Jeff Gross, Ph.D. E. Ronald Salvitti Chair in Ophthalmology Research Professor of Ophthalmology and Vice-Chair for Research Professor of Developmental Biology University of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PI Assistant Professor of Neurobiology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Kasociate Professor, Biochemistry & Molecular Biology	Date	Speaker Deboreh L. Stonkamp, Ph. D.

Ronald Salvitti Chair in Ophthalmology Research Professor of Ophthalmology and Vice-Chair for Research Professor of Developmental Biology University of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PI Assistant Professor of Neurobiology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		
October 25, 2019Professor and Department Head Chemical and Biological Engineering Colorado School of MinesColorado School of MinesNovember 22, 2019Jeff Gross, Ph.D. E. Ronald Salvitti Chair in Ophthalmology Research Professor of Ophthalmology and Vice-Chair for Research Professor of Developmental Biology University of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PI Assistant Professor of Neurobiology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		
October 25, 2019Chemical and Biological Engineering Colorado School of MinesColorado School of MinesProfessor, Ph.D.E. Ronald Salvitti Chair in Ophthalmology ResearchProfessor of Ophthalmology and Vice-Chair for ResearchProfessor of Developmental BiologyUniversity of Pittsburgh School of MedicineJanuary 24, 2020February 28, 2020February 28, 2020March 27, 2020March 27, 2020Associate Professor, Biochemistry & Molecular BiologyMarch 27, 2020	October 25, 2019	
Colorado School of MinesJeff Gross, Ph.D.E. Ronald Salvitti Chair in Ophthalmology ResearchProfessor of Ophthalmology and Vice-Chair for ResearchProfessor of Developmental BiologyUniversity of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PIAssistant Professor of NeurobiologyAssistant Professor in OphthalmologyAssociate of the Duke Initiative for Science & SocietyAffiliate of the Regeneration Next InitiativeDuke University School of MedicineProfessor, Department of Pharmaceutical ChemistryInstitute for Neurodegenterative DiseasesUniversity of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		
November 22, 2019Jeff Gross, Ph.D. E. Ronald Salvitti Chair in Ophthalmology Research Professor of Ophthalmology and Vice-Chair for Research Professor of Developmental Biology University of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PI Assistant Professor of Neurobiology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		
November 22, 2019E. Ronald Salvitti Chair in Ophthalmology ResearchNovember 22, 2019Professor of Ophthalmology and Vice-Chair for ResearchProfessor of Developmental BiologyUniversity of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PlAssistant Professor of NeurobiologyAssistant Professor in OphthalmologyAssistant Professor in OphthalmologyAssistant Professor in OphthalmologyAssociate of the Duke Initiative for Science & SocietyAffiliate of the Regeneration Next InitiativeProfessor, Department of Pharmaceutical ChemistryInstitute for Neurodegenterative DiseasesUniversity of California, San FranciscoUniversity of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		
November 22, 2019Professor of Ophthalmology and Vice-Chair for Research Professor of Developmental Biology University of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PI Assistant Professor of Neurobiology Assistant Professor in Ophthalmology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Linda Musil, PhD Associate Professor, Biochemistry & Molecular Biology	November 22, 2019	
Professor of Developmental Biology University of Pittsburgh School of MedicineJanuary 24, 2020Jeremy Kay, PhD, PIAssistant Professor of Neurobiology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD PI Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Linda Musil, PhD Associate Professor, Biochemistry & Molecular Biology		
January 24, 2020Jeremy Kay, PhD, PIJanuary 24, 2020Assistant Professor of Neurobiology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		
January 24, 2020Jeremy Kay, PhD, PlAssistant Professor of Neurobiology Assistant Professor in Ophthalmology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		1 60
January 24, 2020Assistant Professor of Neurobiology Assistant Professor in Ophthalmology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Linda Musil, PhD Associate Professor, Biochemistry & Molecular Biology		
January 24, 2020Assistant Professor in Ophthalmology Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Linda Musil, PhD Associate Professor, Biochemistry & Molecular Biology		
January 24, 2020Associate of the Duke Initiative for Science & Society Affiliate of the Regeneration Next Initiative Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhD Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Linda Musil, PhD Associate Professor, Biochemistry & Molecular Biology		
Affiliate of the Regeneration Next InitiativeDuke University School of MedicineJason Gestwicki, PhDProfessor, Department of Pharmaceutical ChemistryInstitute for Neurodegenterative DiseasesUniversity of California, San FranciscoMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology	January 24, 2020	
Duke University School of MedicineFebruary 28, 2020Jason Gestwicki, PhDProfessor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Linda Musil, PhDMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		
Jason Gestwicki, PhDFebruary 28, 2020Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San FranciscoMarch 27, 2020Linda Musil, PhDMarch 27, 2020Associate Professor, Biochemistry & Molecular Biology		
February 28, 2020 Professor, Department of Pharmaceutical Chemistry Institute for Neurodegenterative Diseases University of California, San Francisco March 27, 2020 Linda Musil, PhD Associate Professor, Biochemistry & Molecular Biology		
February 28, 2020 Institute for Neurodegenterative Diseases University of California, San Francisco Linda Musil, PhD March 27, 2020 Associate Professor, Biochemistry & Molecular Biology		
University of California, San Francisco Linda Musil, PhD March 27, 2020 Associate Professor, Biochemistry & Molecular Biology	February 28, 2020	
March 27, 2020Linda Musil, PhDAssociate Professor, Biochemistry & Molecular Biology		8
March 27, 2020 Associate Professor, Biochemistry & Molecular Biology		
	March 27, 2020	
Uregon Health and Science University		Oregon Health and Science University
Sujata Rao, PhD		
Assistant Staff Department of Onhthalmic Research, Cole Eve Institute	April 17, 2020	
April 17, 2020 Assistant Professor, Cleveland Clinic Lerner College of Medicine of Case Western		
University		
Kapil Bharti, Ph.D.		
	April 24, 2020	
Ocular and Stem Cell Translational Research Unit, NIH		5
Arup Das, MD, PhD, FARVO	May 22, 2020	
Regents' Professor of Ophthalmology and		
Vice Chairman of Research, Department of Surgery		
University of New Mexico School of Medicine
