

Fitness to Return- Narrative Form

In order to complete a Fitness to Return to work assessment for this type of health event we require that you:

- Provide a copy of your job duties/description to your medical provider (ask your department for a copy of this)
- Have the medical provider complete a narrative that describes the employee's ability to perform the functions of their job.
- This narrative should include any specific limitations or restrictions relevant to those job duties.
- This narrative should be submitted on the medical provider's letter head including the medical provider's information, signature and date completed.

If you have any additional questions please feel free to contact HR.FML@ucdenver.edu
